Description

Located in Belleville one of the older established neighbourhoods in Barbados is this upstairs commercial space. This area has become very popular with the medical profession being only 3 minutes or less from the Queen Elizabeth Hospital. In the general vicinity are laboratories, radiologists, dentists, orthodontists, pharmacies and a wide range of other businesses such as insurance and Internet companies.

The 528 sq. ft. of office space is on the first floor and includes separate ladies and gents washrooms and is fully air-conditioned. The property offers easy vehicular access with ample parking.
