Description

Located close to the property previously known at Ocean Park and opposite to the Chickmont plant and offices in Christ Church just off the Newton roundabout is this large piece of agricultural land bordered by a plant nursery and trucking company. The area appears to be developing in a commercial direction.

The land is almost entirely fenced and currently planted out mainly with plantain trees.

With the highway offering easy access to the airport, Bridgetown and other parts of the island and its desirable southern location, the lot is attractively priced and offers a superb opportunity for the right venture.

Area: 18.92 acres

SALE PRICE: BDS\$1,300,000 / US\$650,000
