Description

Located between Six roads and Warrens and not far from Byde Mill with easy access to the highway is this sloping large lot.

This lot sits on a main road and is neighboured by a gorgeous home on a similar size lot to the right and a secondary road with tenantry homes to the left.

Mature mango trees are mostly to the road area of the lot with one to the rear. There is a very nice building spot which would overlook the countryside if designed correctly.

SALE PRICE: BDS\$200,000 – US\$100,000
