Description

Cuillin pronounced "Cool-in" is designed to catch cool breezes from all directions - a tropical oasis that offers a peaceful island getaway for nature lovers. Surrounded by majestic Mahogany trees and an outdoor terrace shaded by lush foliage.

Cuillin is a tropical oasis with spacious outdoor and indoor living spaces. Just a brief 5-7 minute drive to Gibbes Beach and Hometown, is the environmentally conscious home surrounded by nature. We encourage guests to minimize their footprint, such as the compost bin in garden. We also have solar water heaters and a facility for rainwater tank collection. With high pitched ceilings & fans in each bedroom - shutters and louvered doors negate the use of air conditioning.

Groups or families are easily accommodated with comfortable bedrooms that connect to the main entertaining spaces. You can enjoy outdoor dining on the terrace, take a refreshing swim during the day in your private swimming pool, or cozy up on the couple's swing in the garden. Guests can also enjoy a poolside lunch under the shady Mahogany tree!

There is polished sustainable wooden and tile flooring throughout Cuillin adding to its charming, rustic personality. Original artwork by international artist Jackie Philip can be found gracing the walls.

Each bedroom has its own pocket of privacy, all with poolside views and of the trees and a connection to the main spaces. The master bedroom and second bedroom share a unique, open and private shower with plants and foilage, while the third bedroom is mere steps away from the pool.

Great for groups, couples, families with children.

Cuillin, more than a beach holiday!

NB: Cleaning fee of US\$60.00 to be added.
