Description

"Platinum Views" sits about 10 minutes from the beach on the west coast and is a 15 minute drive to Holetown. It is beautifully positioned to capture the relaxing sight of the sun glistening on the warm waters of the Caribbean Sea as it slowly disappears on the horizon at the end of every day. Nicely furnished and well finished with a modern chic design, the house is newly built with a fresh feel to it. The living room opens onto the patio with a spectacular sea view that can be seen from the open plan kitchen/dining/living area offering a serene tropical backdrop.

A spacious master bedroom with ensuite, two further bedrooms and a family bathroom help to create a charming, relaxing holiday feel that will easily accommodate 3 couples or a family of 6. All bedrooms are equipped with desks and chairs to easily accommodate work/study from home.

This villa sits in an elevated position in a pleasant, centrally located neighbourhood that is only a 10 minute drive from the supermarket with the many amenities of Warrens in that area. Just a few minutes in the other direction and you have a selection of fine dining restaurants, beach bars and takeaway establishments that offer anything from Fire Grilled Chicken to local Roti's and everything in between.

With a BBQ sitting in the back garden waiting to be used, the toughest decision you'll have all day is trying to decide if to eat in or out.....
