Description

Belori is situated in an impressive position in St George. The property is located on a ridge in the heart of rural Barbados. It benefits from views of the stunning countryside. It also enjoys panoramic sea views beyond. This home offers Barbados living at its finest. The architecture throughout has been a result of careful planning. The property has been constructed with the finest finishes and materials. The views out to the sea are simply breathtaking. The property is also beautifully landscaped. Blue Bayou offers the perfect family home. It is in a peaceful neighbourhood in St. George. This would make a great home for kids and pets.

The contemporary design benefits from the easterly breezes. There are beautiful marble floors and high ceilings. There are also floor to ceiling windows with sliding doors. Belori offers a designated entertaining room. This is en-suite. There is also a second, generous living area. Both of these rooms go out onto the terrace. The upper level is linked with bridges and walkways. It is especially light and airy. Space and flow are the main influences of the design.

Each bedroom has its own private outside area. Either a courtyard or a terrace. This is a lovely, modern open plan home.
